

Tynwald High School

NEWSLETTER 23 May 2018 Volume 1, Issue 1

School Head
Mrs V Mutanda

Dear Parent/ Guardian

Welcome you all to Term 2, 2018. On our part we have started with a bang both teachers and support staff eager to ensure that we fulfil our motto, "Quality and Excellence" in all our operations.

We shall cover the syllabus in all subjects by end of Term II to allow 'O & A' Level students ample revision time before the public examinations. In addition to early syllabus coverage the following strategies shall be employed to ensure students achieve quality results:

- i) Supervised study on Friday afternoons.
- ii) Monthly revision tests
- iii) Workshops with other schools.

The above approach is a must! as examinations for both "O" & "A" level commence in the 1st week of October.

The non-examination classes will equally receive attention from their teachers through well supervised regular revision exercises and monthly tests. We ask you as parents to create a learning environment at home and to also please supervise homework.

The term is full of ball game activities as can be seen from the attached sports calendar. Please take your time to study the calendar. We need parents to assist with transport back home after the activities. Parents can pick their children at either the sports venue or the school.

Supervised Study

Dairiboard 2018.

The rugby team featured ,again ,this year at the P.E Dairiboard Annual Rugby Festival , winning two games out of the three played. We want to extend our congratulations to the young gentlemen of Tynwald High School for putting up a good fight and displaying true sportsmanship throughout the festival. In line with the above statement, special commendations go to Kudakwashe Kagonda U6 science, who was nominated man of the match in the 1st & 3rd games. The school is thankful to Messrs Makosa, Sandarama, Nyamasve and Mawoyo for the dedication to duty displayed through camping with the team for a fortnight, depriving themselves of the much deserved holiday break.

The tournaments of the term are:

The golden / silver girl's hockey jubilee at Arundel School in August. The dates are still to be advised. Parents are encouraged to attend in order to give their very much needed support to the team.

Golden Girls Hockey
Golden Girls Hockey

The Boys & Girls Volleyball Tournament to be held in Mafeking R.S.A (3rd to 5th August).We urge you to allow your children to participate in this eye-opening tournament as players or even as team supporters. The trip fee is \$338

Cultural Activities

The school offers a wide array of clubs. It is our hope that every student shall take advantage of this opportunity to be a member of at least one club. The life skills acquired through participation in club activities are immeasurable. Students shall compete at the:

- (i) **Eisthertford for debate, public speaking, choral music & quiz.**
- (ii) **The Old Mutual Maths Olympiad and**
- (iii) **The Robotics Competition, in Mexico.**

Parents are urged to be more visible, in support of the above mentioned.

Driving Lessons

The Vehicle Inspectorate Department (VID) would like to partner with the school in providing Learners Licence Tests. Registration will be \$15 and the package students will receive will contain, question papers, extra notes, explanations and revision before exams. Reputable driving schools will work with the school and provide driving lessons @ \$2.50 per lesson to successful candidates.

A reminder to all parents who owe the school to come through and make concrete arrangements with the School-Head. It is not the school's wish to discuss fees status with your children.

We wish everyone a happy term.

V MUTANDA
SCHOOL HEAD

QUALITY & EXCELLENCE.
